Additional TA Prateik Dalmia related comments (e.g., about the discussion/lab/studio section, TA's teaching style, etc.)

Comment

Went over topics well and in depth with multiple examples. Office hours were reliable and engaging. Made sure we understood topic before moving on and encouraged asking questions.

Great TA! Honestly made everything more clear and was always very helpful.

A little patronizing

Prateik is by far the best TA I've had in my time at UMD. He was always prepared for discussion and taught the material in a way that made it easier to comprehend. Additionally, he was always very encouraging and it was easy to tell that he truly cared about us learning the material. I don't think I would have done as well in this class as I did had it not been for him.

One of the best TAs I've had here at UMD. He really tries to help everyone.

Great job.

Prateik was a really good TA. He was very effective in covering the topics covered for the week, and in some cases, he was better at covering the topics than Ozbay

Wonderful teaching style, really helped.
